

FOR MEMBER OF THE BOARD OF EDUCATION

ROBERTA GRANDE REYNOLDS

Occupation: Incumbent/Pharmacist

As a lifetime Burbank resident, a graduate of Burbank schools, and a parent, aunt, and grandparent of past, present, and future Burbank students, I have a passionate commitment to the highest standards of academic excellence and school safety for all our students.

During the last seven years that I have served on the Board of Education, our district has continued to experience strong academic growth. In spite of the challenging economic environment facing the state of California, we have maintained our commitment to the arts, sports, and career technical education while keeping our district fiscally sound.

As the fiscal crisis in California subsides, we face new challenges such as managing the Local Control Funding Formula and the implementation of the Common Core State Standards. We need to insure that our students are both college and career ready with an increased focus on Career Technical Education.

With more than 30 years of hospital pharmacy management and the knowledge and experience I have gained through a multitude of leadership positions in parent volunteer organizations, I am uniquely qualified to face these challenges.

I respectfully ask for your support in my bid for re-election.

/s/ Roberta Grande Reynolds
